

International Journal for Research in Applied Science and Engineering Technology(IJRASET)

e-ISSN: 2321-9653

Journals's original version: Electronic version / digital media version

BASIC INFORMATION

p-ISSN: none

e-ISSN: 2321-9653

DOI number: none

Journals's original version: Electronic version / digital media version

Title in original language:

International Journal for Research in Applied Science and Engineering Technology(IJRASET)

Title's language: English

English title:

no answer

Short title: no answer

Former title:

no answer

Journal's country of origin: India

Affiliation:

ISSN, India

Journal's website:

<http://www.ijraset.com/>

Describe journal's profile in English (max. 1500 characters): educational

Frequency of issuance: Monthly

Circulation: 12 copies

Licence on which journal makes its articles available:

all rights reserved - no automatic licence

Full-text research articles availability: paid

DISCIPLINES

Main science field describing journal:

Natural science

Yes

Social sciences

Yes

Humanities

Yes

Disciplines corresponding with journal's subject area:

Technology;

EDITORIAL OFFICE

No Editorial office member was given

Editorial office address:
