Abstract: *This paper focused on tribal community development through National Scheduled Tribes Finance and Development Corporation (NSTFDC) is provides skill development awareness programmes, financial helps to tribal community development in the country. It is promotes socio-economic upliftment, empower for tribal community, and economic development for schedule tribe communities in rural and semi-urban areas. India is one of the largest tribal community population countries in the world. Prior to the adoption of Indian constitutional policy the tribes were variously termed as aboriginals, adivasis, forest tribes, hill tribes, jenukurubas, Kadu Kurubas and primitive tribes etc. This paper mainly analyze the income generating activities, on the tribals, some important tribal community programmes, the NSFTDC is organized to proses financial helps for tribal community and to identify the financial supports is order to help tribal community in the country.*

Keywords: *Structure of NSFTDC, Financial, NSFTDC Programmes, Income Generating Activities.*

I. INTRODUCTION

National Scheduled Tribes Finance and Development Corporation (NSTFDC) was set up in 2001, as a non-profit company under Ministry of Tribal Affairs, Government of India. It provides financial assistance at concessional rates of interest for undertaking workable income and employment generating activities to the schedule tribes and to double the poverty line. NSTFDC is an apex organization for socio-economic upliftment of Scheduled Tribes and the corporation fulfills its objectives by providing financial assistance at concessional rate of interest varying between 4 to 8 per cent p.a. payable by the beneficiaries. The financial assistance of the Corporation is extended to Scheduled Tribes having annual family income up to Double the Poverty Line (DPL) through State Channelizing Agencies (SCAs) nominated by respective State Governments in addition to certain Regional Rural Banks and PSU Banks.

A. Objectives of the Study

- 1) To study the budget allocation of tribal community under NSTFDC in India
- 2) To identify the financial assistance and number of beneficiaries under NSTFDC.

B. Methodology of the Study

The present study mainly based on secondary data. The secondary data was collected from various sources like annual reports for Department of National Scheduled Tribes Finance and Development Corporation, Annual Reports of Ministry of Tribal Affairs, Central Government is Financial Support for Tribal Community under NSTFDC. The study covers a period 15 year from 2001-02 to 2015-16. The collected data has been analyzed by working in to the compound annual growth rate.

II. PRESENT SCENARIO OF NSTFDCS IN INDIA

The NSTFDC is an apex organization set up exclusively for socio-economic development of Scheduled Tribes. This Corporation was incorporated as a Government Company under Ministry of Tribal Affairs and granted license under Section 25 (now Section 8 of the Companies Act, 2013) of the Companies Act, 1956. It is managed by the Board of Directors with representation from Central

International Journal for Research in Applied Science & Engineering Technology (IJRASET)

Government, State Channelizing Agencies (SCAs), Industrial Development Bank of India (IDBI), Tribal Co-operative Marketing Development Federation of India Ltd. (TRIFED) and eminent persons representing Scheduled Tribes etc. The Corporation plays a leading role in economic upliftment of scheduled tribes by providing financial assistance at concessional rates of interest.

A. Importance of Objectives for NSTFDCs

Some of the major objectives of the NSTFDCs are as follows

- 1) To identify economic activities of importance to the Scheduled Tribes so as to generate self-employment and raise their level of income.
- 2) To upgrade skills and processes used by the Scheduled Tribes by providing both institutional and on the job training.
- 3) To make the existing State/ UT Scheduled Tribes Finance and Development Corporations (SCAs) and other developmental agencies engaged in the economic development of Scheduled Tribes more effective.
- 4) To assist SCAs in project formulation, implementation of NSTFDC assisted schemes and in imparting training to their personnel.
- 5) To monitor implementation of NSTFDC assisted schemes in order to assess their impact.

B. Functions

The functions of NSTFDC are as follows;

- 1) To generate awareness amongst the STs about NSTFDC concessional schemes.
- 2) To provide assistance for skill development and capacity building of beneficiaries as well as officials of SCAs.
- 3) To provide concessional finance for viable income generation schemes through SCAs and other channelizing agencies for economic development of eligible Scheduled Tribes.

C. Different Programmes of NSTFDC

The corporation is provides financial assistance for income generation activities and marketing support assistance for socio-economic upliftment of Scheduled Tribes. The details of schemes of NSTFDC are as under;

1) Schemes under Income Generation Activities:

- a) **Term Loan Scheme:** In this scheme crucial role in NSTFDC is provides term loan for viable projects costing upto 25.00 lakhs per unit. Under the scheme, financial assistance is extended up to 90 per cent of the cost of the project and the balance is met by way of subsidy contribution/margin money.
- b) **Adivasi Mahila Sashaktikaran Yojna (AMSY):** This is a private scheme for economic development of scheduled tribe's women. Under the scheme, NSTFDC provides loan up to 90 per cent for projects costing upto 100,000 financial assistance under the scheme is extended at highly concessional rate of interest of 4 per cent per annum.
- c) **Micro Credit Scheme for Self Help Groups (MCF):** The MCF is an exclusive scheme for Self Help Groups for meeting small loan requirement of ST member. Under the scheme, the Corporation provides loans upto 50,000 per member and maximum 5 lakhs per Self Help Group (SHG).
- d) **Adivasi Shiksha Rin Yojana (ASRY):** Another important scheme is an education loan scheme to enable the STs Students to meet expenditure for pursuing technical and professional education including Ph.D in India. Under this scheme, the corporation provides financial assistance upto 5.00 lakhs per eligible family at concessional rate of interest of 6 per cent per annum.
